

1. This photo show both pieces complete, but not sewn. The tail of yarn on the left is to show the end of the shawl section where you repeat rows 14-15.

2. This is a close up of the cowl section not sewn, but you can see where they will be sewn together with the triangle.

3. Sewn together.

4. Cowl section sewn together and the shawl section laying next to it not sewn but placed where it will be sewn together.

5. Sewn together.

6. Flip entire piece over.

7. Triangle should be centered on cowl.

8. Fold shawl section over and center onto front of cowl.
